- Each member receives one entry. A venue member may list other spaces when they are within the same performing arts centre or precinct.
- Categories 1 and 4 may list their multiple spaces under the one entry.
- Categories 2 and 3 may only list the spaces included in their membership as defined above.
- A venue member may purchase extra entries/listings for the spaces within their venue that are encompassed by their membership for \$110 (inc GST). As a consequence, Categories 2 and 3 may NOT purchase extra entries/listings for venues other than those that fall under their respective ordinary memberships.
